

THE LENOVO® B490/B590 LAPTOP

AMAZING BUSINESS PERFORMANCE AT A GREAT VALUE

Introducing the Lenovo B490/B590, a laptop equipped with amazing business features. With some of the best and latest technologies, the laptop improves your efficiency.

The best-in-class processors, enhanced performance, extended battery life and faster boot-up time bring to you the advantage of improving productivity and lowering costs. Simple and stylish design, faster integrated graphics card and ergonomic keyboard design provide you more comfort to work and play. Advanced IT management and security solutions offer reliability.

The elegantly designed notebook gives an amazing quality video conferencing with the 720p HD camera¹. With incredible performance, advanced security and classy design, the Lenovo B490/B590 is the best-suited laptop for home and office use.

HIGH-END PERFORMANCE

The Lenovo® B490/B590 allows you to improve business efficiency focusing on performance with:

- Up to 3rd generation Intel® Core™ processors with superior processing power
- NVIDIA® Optimus™ technology¹ enhances graphics performance preserving battery life
- Optional Lenovo Hard Disk Drive Performance Booster¹ provides faster SSD-like performance for faster Windows® boot up
- Transfer data up to 10 times faster than USB 2.0 with USB 3.0 ports

ENHANCED SYSTEM SECURITY AND RELIABILITY

The Lenovo B490/B590 offers reliable security features with:

- Optional fingerprint reader to secure data against unauthorized access to the laptop with personalized logon
- Lenovo Solutions for Small Business¹ provides unique security and productivity features
- Lenovo Cloud Storage by SugarSync² offers automatic data backup and data sync with multiple devices

¹ Available only on selected model

² Varies by country

³ Optional, two years extra duration only for China

⁴ Available on HM77-based models only

⁵ Available on both HM77- and HM70-based models

⁶ Optional (supported by wireless + Bluetooth® combo card)

FAST AND EASY TO USE

The Lenovo B490/B590 has a unique and easy-to-use design with:

- Professional and elegant Kink design
- A distinctive style with an easy-to-open lid
- Clean, user-friendly AccuType keyboard for a more comfortable and faster typing experience

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your investment. Succeed with substance and let Lenovo's Service support you all the way.

• Warranty Extensions (1-to-3 Years Total Duration)³

- » This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

• Accidental Damage Protection

- » Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

WHY LENOVO WARRANTY SERVICES

Lenovo
Services™

• Best Service and Support times

- » Lower hold times and abandon rates (up to 50% better than competition)
- » Higher first time fix (30% better than competition)

• We use Lenovo Parts

- » Results in lower re-repair rates and higher customer satisfaction

• World Class Brand and Infrastructure

- » Global network of regional support centers offers consistent, local-language support
- » Consistent international support and delivery
- » Recognized as consistently best in class by TBR, Laptop Magazine, PC Magazine and IDC Dataquest.
