Maximize productivity—get print, copy, scan to e-mail, analog fax, and document finishing functions from one easy-to-use device.

## Outstanding productivity

- **Quickly print, copy, fax, and scan.** Ideal for your busy office, the HP LaserJet 4345mfp series offers a rich set of features. With black-and-white printing and copying at up to 45 pages per minute (ppm) letter, the MFP delivers fast, impressive results.
- **Boost productivity with two-sided printing, copying, and scanning.** The 50-sheet automatic document feeder (ADF) effortlessly processes two-sided documents, enabling unattended copying and scanning and eliminating the need to manually feed originals. In addition, get duplexed output and reduce your office costs with the automatic two-sided printing accessory.<sup>1</sup>
- **Improve the efficiency of your business.** Optimize the MFP's embedded sending functions<sup>2</sup> with optional HP Digital Sending Software (DSS) 4.0,<sup>3</sup> which features authentication<sup>4</sup> and facilitates document workflow by enabling documents to be sent to printers and fax services, including LAN fax, Internet fax, and Windows® 2000/XP fax services.
- **Transform your document workflow.** Add optional HP AutoStore<sup>3</sup> software to effortlessly route information to document management applications such as Microsoft® SharePoint Portal Server (version 2003), Microsoft Exchange, and Lotus Notes.
- **Send and receive documents with the analog fax accessory.**<sup>1</sup> The internal fax card increases the functionality of your device, improves workgroup productivity, and supports efficient information sharing.
- **Depend on simple, intuitive interaction.** The touch-screen graphical control panel features an integrated design that lets you easily determine job status and employ the copy, scan, fax, and digital send functions. Used across several HP devices, the intuitive control panel provides a consistent walk-up experience for users of HP products, improving usability and minimizing training costs.

<sup>1</sup> Standard features vary by model.

<sup>2</sup> Embedded sending features include send to e-mail and send to network folder.

<sup>3</sup> Not included, sold separately. Software is server-based, server required.

<sup>4</sup> LDAP authentication is embedded in the MFP.

<sup>5</sup> Using genuine HP supplies ensures availability of all HP printing features.

## Simplify and save time

- **Configure the MFP to suit your needs.** Create high-quality documents with a choice of advanced output options, including a stapler/stacker that can staple documents of up to 30 pages and stack up to 500 sheets. You may also choose a 3-bin mailbox for separating print, copy, and fax functions, assigning mailboxes for users, or stacking up to 700 sheets.
- **Focus on creating effective business documents rather than tending to your MFP.** Reduce user interaction with a total input capacity of up to 2,100 sheets and the optional 75-sheet envelope feeder.
- **Enjoy the simple, integrated design.** With its small footprint, the MFP conserves floor space and is easy to add to workstations or imaging and printing areas.

## Reliable and easy to use

- **Share the device with peace of mind.** Enjoy best-in-class networking with the HP Jetdirect Fast Ethernet embedded print server. HP Web Jetadmin offers proactive, fleet management, including remote installation. The HP Embedded Web Server is designed for one-to-one device management. It performs remote diagnostics and sends e-mail alerts.
- **Count on HP Smart Printing Technology.**<sup>5</sup> The MFP and HP supplies include innovative HP Smart Printing Technology, which makes automatic adjustments to optimize print quality and enhance reliability. Managing supplies is simple with easy access to the all-in-one HP LaserJet Smart print cartridge and convenient, online ordering with HP SureSupply.

HP printing and imaging systems help you create powerful, professional communications easily. HP printers, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

## Lasting value

For many businesses, the total cost of ownership is a critical part of the purchasing decision. Both the versatility and reliability designed into the HP LaserJet 4345mfp series contribute to significant cost savings over time.

**An efficient multifunction device.** An impressive set of paper-handling capabilities enables you to produce documents locally. With the productive MFP, you can eliminate costs and distribution time associated with centralized printing.

**Reliability saves money.** By far the biggest contributor to user productivity and low cost of ownership is the reliability of HP equipment, support, and service. For over a decade, Hewlett-Packard has consistently received the top grade in PC Magazine's Service and Reliability Survey and recently received one of the first-ever A+ ratings. Instead of experiencing frustration and expensive downtime, users can get their work done!

## HP Smart Printing supplies advantage<sup>6</sup>

HP LaserJet print cartridges and HP papers are designed to work together with HP printing devices, so you can depend on producing consistent, high-quality documents. HP designs its print cartridges to produce the clarity needed for halftone images, smooth grayscales, and fine details. HP Smart printing technology is activated when you put an HP print cartridge into your MFP, allowing you to monitor supplies, order new supplies, and print successfully every time. Each HP print cartridge continually adjusts toner properties to ensure consistent output over the life of the cartridge.

## Award-winning HP support

HP offers a variety of support options to assist you in the setup and maintenance of the HP LaserJet 4345mfp series. HP's expert knowledge will help you make the most of your MFP and ensure your equipment is running at peak efficiency. Start with a one-year, next business day, onsite HP limited warranty, backed by free telephone support from the award-winning HP Customer Care. To further guarantee trouble-free operation and maximize the potential of your HP LaserJet MFP, consider upgrading service and support options such as installation, network installation, advanced maintenance, and post-warranty support.

## Digital sending features

The following table details the MFP's standard digital sending features (no additional software needed):
