

Gear VR

Virtual reality just got real

Mobile virtual reality has finally arrived. Be at the center of exciting games, watch the best of Hollywood in your own private cinema, socialize with friends and so much more. The Gear VR drops you right into the action—and it's only from Samsung and Oculus.

Virtual reality anywhere

Escaping to a virtual world is as easy as snapping your Galaxy smartphone into your Samsung Gear VR. Developed in partnership with Oculus, the leader in virtual reality, Gear VR is completely portable, comfortable to wear and simple to set up.

Experience the extraordinary

From taking part in epic battles to interacting with live dinosaurs, you'll go where you've never been able to venture before with the Samsung Gear VR.

Your personal cinema

With the Oculus Video app, you can experience trailers, clips and even your own movie files. Customize your virtual environment—choose from a home theater, big-screen cinema or even the surface of the moon. Plus you can buy hundreds of full-length Hollywood movies and TV shows.

So much to stream

Live stream your favorite gamers, short films and video clips in a virtual theater setting. With full access to more than 1 million *Vimeo* videos and *Twitch*, the world's leading video platform and community for gamers, there's always something new to experience.

Step back in time

Jurassic World: Apatosaurus lets you wander through a prehistoric forest, so you can relish the sense of extraordinary wonder as you anticipate the approach of an Apatosaurus.

Rocket through space

EVE: Gunjack blasts you right into the middle of an epic space battle. Jump right in and fight as the action unfolds all around you.

Instant movie night

A cozy sofa. Your favorite flicks. *Netflix** for Gear VR sweeps you away to a virtual living room for the ultimate watching experience.

The freshest content, delivered to you **SAMSUNG MILK VR**

Bringing you amazing 360° virtual adventures, Samsung Milk VR is video like you've never seen. Surround yourself in all the action of the world's fastest cars, exotic destinations, live music performances, celebrity lives and exciting documentaries. There's always something new in Samsung Milk VR.

Discover the world

From getting lost in a redwood forest to an in-person encounter with sharks in a cage, *Discovery Channel* content brings the world to life.

See things differently

With the *Gear Indie Channel*, get access to unique experiences through the eyes of indie filmmakers, from living it up in Ibiza to lapping the Le Mans track.

Go to the Olympics

See what it's like to train for the 2016 Olympics on *Road to Rio*. Follow four U.S. Olympic hopefuls while they dive, spike, jump and tumble through rigorous training as they go for the gold.

Kick back with celebrities

My 360 lets you spend the day with DJ Pauly D, pro athlete Jake Peavy and supermodel Nina Agdal, getting you closer than you've ever been before.

*Netflix streaming membership required.

Read and follow warnings and instructions with the Headset before use. The Headset should be calibrated before each use. Not for use by children under 13. A virtual reality experience may trigger health reactions. See a doctor before use if you have a history of seizures. Stop use if you experience health reactions.
